The Headquarters, Department of the Army Selection Board recommended these employees on the basis of their outstanding career accomplishments and expected contributions upon completion of these programs. Please advise principal selectees to confirm acceptance and provide current home address to this office as soon as possible. Alternates will be contacted in order of merit should additional seats become available or if a principal selectee must decline the selection. However, such an occurrence is considered remote. Please express my appreciation to the alternates and emphasize to them that not being selected as a principal reflects the unavoidable fact that spaces are limited and competition keen. They should be encouraged to reapply next cycle or seek other challenging training assignments. Questions from principal selectees regarding their participation in long-term training should be raised through local and/or MACOM POC training, resource management and/or joint travel regulation officials.

The POCs for this action is Ms. Vern Carter, 703-325-2456, e-mail: Vernessa.Carter@asamra.hoffman.army.mil; and Valerie Peyton, 703-325-0615, e-mail: Valerie.Peyton@asamra.hoffman.army.mil.
